I am a creative 3D generalist with more than 5 years of experience in animation. I bring a wealth of expertise and seamlessly align with the requirements for the role of a CG Generalist.

With a solid background in both in-house and agency environments, what sets me apart are my strong visual imagination, keen attention to detail, and excellent communication skills. I work well within a team and independently, demonstrating the ability to learn new techniques and develop new workflows. These attributes make me an ideal fit for a dynamic working environment."
